Valois,

I'm putting our WA package together for option period 5-96. In past years we included an LOE memo (the one for WA 4-96 is attached). It doesn't appear we need to include it this year, but I want to run it by you. If we need it we'll need to include an estimate of the LOE hours for 5-96.

I also attached last year's Immediate Start Memo. Let me know if you want to change the language we used last year, otherwise I'll just copy/paste this one for 5-96.

Bruce
